## **DETAILED ACTION**

### ***Drawings***

Figures 1-2 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

## **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel non-elected claims 8-19.

This application is in condition for allowance except for the presence of claims 8-19 to an invention non-elected without traverse. Accordingly, claims 8-19 have been cancelled.

***Allowable Subject Matter***

Claims 1-7 are allowed.

The following is an examiner's statement of reasons for allowance:

There is no teaching or suggestion in the art of record disclosing a semiconductor memory with a memory cell matrix that comprises all of the limitations of claim 1 in combination with an upper inter-electrode dielectric arranged both on the device isolation films and the lower inter-electrode dielectric so that the upper inter-electrode dielectric can be shared by the memory cell transistors arranged along the row-direction belonging to different cell columns, the upper inter-electrode dielectric is made of insulating material different from the lower inter-electrode dielectrics.

Therefore, independent claim 1 is deemed allowable along with its dependent claims 2-7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
